

WHY CONSTELLATION

Our Marine Cargo Experts have experience with surveys of Heavy Lifts and Project cargoes including consultation in the planning stage and loading operations on behalf of Cargo Underwriters, Charterers, Ship Owners and P & I Clubs. We provide world class service in project cargo supervision, and give the highest quality consultancy service for third party supervision of our client's project from planning to execution.

Team Constellation is involved with reviewing plans, advise on handling, stowage, lashing and securing of these project cargoes. Our clients are large industrial insurers, engineering companies, oil and gas companies and shipping companies.

We offer a highly professional service to our clients based on trust, integrity and professionalism and having the experience in handling various types of heavy lifts and project cargo.

Loading and discharge surveys for loss prevention are conducted worldwide with a focus on Middle East. With a geographical location of offices in 4 countries, UAE (Dubai, Abu Dhabi, Fujairah); UK (London); South Africa (Capetown, Durban) and SINGAPORE. Constellation Marine Services is a leading project cargo consultancy, firm for your Marine Insurance & Warranty Surveying needs.
